A screenshot of the RoroNote application interface. On the left is a vertical menu with icons for: 戻る (Back), カメラ (Camera), あ (あ) テキスト (Text), Web, 地図 (Map), ファイル (File), シンキングツール (Thinking Tool), and テスト (Test). The main workspace has a dark blue background. At the top, there's a red box with '明日 16:00' (Tomorrow 16:00) and a white box with '名所紹介最終 (採点するよ)' (Final introduction of famous spots (scoring)). In the top right, there's a user profile icon for '笠野恭子' (Kasano Takako) and text: '6年1組 英語' (6th year 1st group English) and '2023年6月20日のノート (2)' (Note from June 20, 2023 (2)). In the center, three cards are arranged horizontally: a green 'るるぶカード' (Rurubu Card) with 'You can.....', a blue '感想カード' (Opinion Card), and a white 'the view' card with a landscape photo. Below these are three large text boxes: a pink one with 'This is', a light blue one with 'It's', and a light green one with 'You can'. At the bottom left, there are three circular buttons: '資料箱' (Folder), '提出' (Submit), and '送る' (Send). At the bottom right, there's a trash can icon and the version number '16.0.1'.
